

**Thinking about planning an event with us? Here's what you need to know:**

**GROUP SIZES:**

Our largest room can hold up to 12 participants. You can book this room at any time through our website, [lincolnescaperoom.com/book-a-room](http://lincolnescaperoom.com/book-a-room)

If you have more than 12 participants in your group, then you must book multiple rooms and divide your group according to the maximum capacity of each. The room capacities are as follows:

The Cure: up to 6 participants, no minimum

The Missing Musician: up to 7 participants, no minimum

LiCastro's Lair: up to 12 participants, minimum of 4

Hacker: Corruption Disruption: up to 10 participants, minimum of 3

Depending on your group size, we will reserve multiple rooms to accommodate your group, and adjust the start times so they align.

The maximum group size allowed in the facility at one time is 35 participants. Your group of 35 will be split up between our 4 rooms in teams of 6, 7, 10, and 12.

For events with more than 35 participants, the group will be given multiple start times, with at least an hour and a half between groups. (For example, with a group of 70, the first group of 35 would start and complete the game, this takes 1 hour, then in 30 minutes (after all of the rooms are reset) the next group of 35 can start.)

You also have the option to divide your group's activities across multiple sessions or days.
